PCGS plans to make a membership directory that will be available to members beginning in the 2010-2011 Season. Members should find this a useful way to identify others with a common interest, make contacts to share rides to concerts, communicate with one another about lessons and teachers, etc.

Unless you note otherwise your name, address, phone and e-mail will be included in the directory. Please check below the information which you do NOT want included in the PCGS Membership Directory.
